Local Ladies Attend SEC Meeting

Members of Southside Electric Public Relations and Attendance Committee held their first meeting in Crewe on October 23, 1962.

About 100 women representing the 17 counties served by Southside Electric Cooperative were present at this meeting, including interested guests.

The meeting opened at 10:30 a.m. and closed at 3 p.m. The morning session was held at the SEC Annex and the luncheon meeting in Crewe Community Center.

Mr. C. S. Hooper, Jr., Manager of the Cooperative, spoke on the organization, policies, operation, etc., of the Southside Electric Cooperative.

Mrs. Jo Ann Broswell, Interior Decorator for Thalhimers, Richmond, gave an interesting talk on "New Trends in Interior Decoration".

A tour of the SEC new building was of much interest.

A luncheon was served at the Crewe Community Center at which time Mr. Pfirman of W. E. Newby and Company in Crewe put on a style show that was superbly done. Mr. Pfirman has had extensive experience in putting on style shows, so we were fortunate in seeing a Premier in Fall Fashions. Crewe is proud to have such a noted person in their midst.

A talk was made by Mr. Earl J. Shiflet, Executive Secretary of the Virginia Association of Electric Cooperatives, Richmond.

In conclusion, Mr. Hooper presided over a Question and Answer Period which revealed the deep and constructive thinking of our lady members - leaders, every one of them. Southside Electric Cooperative is very proud of them.

Mrs. H. Elliott Torrence, Appomattox, won the Appreciation Prize, an electric hair dryer.

Christmas Stamps On Sale Friday

Postmaster H. W. Connor announced that the new four cent Christmas stamps are expected to go on sale tomorrow, Friday.

This newest commemorative features a green wreath, red bow and two candles with the inscription, "Christmas 1962."

Connor stated that 5,000 stamps are expected. He urges all patrons to buy their Christmas card stamps early. The four cent stamp offers first class privileges, and speeds up the mail, too.

Overseas Mailing

Those with friends and relatives overseas should mail holiday packages now, he added. Otherwise, it will cost considerably more to airmail presents at a later date.

Halloween Party At Evergreen

Patricia Louise Paxton Before Her Marriage October 21

Miss Paxton Marries Terry Major Phelps

The marriage of Miss Patricia Louise Paxton, daughter of Mr. and Mrs. John S. Higgins, of Cumberland, Md., to Terry Major Phelps, grandson of Mrs. Walter Phelps, of Gladstone and the late Mr. Phelps, took place Oct. 21 at 4 o'clock at Manley Memorial Baptist Church, Lexington.

The Rev. John S. Moore performed the ceremony.

The bride, given in marriage by her father, wore a gown of white peau de soie with chantilly lace appliques. The basque bodice was designed with a portrait neckline edged with lace and long sleeves pointed over the wrists. The dome shaped skirt was appliqued with lace medallions and ended in a chapel train. Her tiered veil of English illusion was attached to a pillbox

Arlene Paulette, Joett Paulette, Brenda Grishaw, Bonnie Faye Paulette, and Barbara Kay Staples.

Climax of the evening was the announcement that Arlene Paulette had been declared winner.

The Evergreen PTA hopes to add some badly needed equipment to the school with the proceeds from Tuesday's party.

"Y' All Come" To Country Music Contest

Appomattox Jaycees are urging everybody who can play anything from a fiddle to a "hair comb" to enter the Country Music Contest scheduled for Thursday, Nov. 15 at 8 p.m. Place: The AHS Auditorium.

Watt Abbitt will emcee the annual show. Bob Johnson of Station WMRC, Lynchburg, will be one of the judges.

And for spectators, the Jaycees promise an evening of good country music and lots of fun.

Proceeds will send a number of needy county youngsters on a Christmas shopping trip to buy presents for their families. Two students from each grade of the county elementary schools are chosen to go, accompanied by Jaycees and their wives.

Tickets may be purchased from any Jaycee or at the door.

"Y'all come!" say the Jaycees. It's Country Music Time on November 15.

Womans Clubs Will Hear Mrs. Bowman

Dresses For "Coky"

"Coky" Kress is due for a surprise, say Junior Womans Club members.

The little girl who was lost overnight in the Evergreen community, and her family, have become another community project for the local Junior Club. New dresses, a jacket, bedclothes, rugs, and other items are scheduled to be taken to the Kress home, a sort of "pre-holiday" surprise, the club reported.

Comfort, silence and luxury to challenge any car from anywhere

There's a lot underneath the beauty of the '63 Chevrolet. Its roomy, comfortable Body by Fisher screens out noise and shock. There's instant response in a choice of 6- or 8-cylinder engines, a host of refinements to make it run and look like new longer, and plenty more that make it hard to believe it's a low-priced car. But your Chevrolet dealer can prove it!

School Annual

The 1962 - '63 Annual Staff is making plans for a better year Look than ever. The members started off their year of work in August diligently selling ads in Lynchburg, Farmville, and Appomattox and its surrounding areas. They wish to thank all those who helped them with the financial end of their work.

There has been much sickness in school lately. Teachers as well as students are being marked absent at roll call each morning. Apples must be scarce this year or else some cole are forgetting to eat them each day!

cal sensors for spacecraft.

"We'll hit the moon with a hammer," explained the speaker in speaking of the first spacecraft which will touch down on the moon. The first vehicle there will be remote controlled and will be equipped with numbers of testing devices to check such data as density of surface material, possible water or ice content, and any radioactivity present.

General Motors has developed a Moon Roving Vehicle with amazing mobility, Burke stated in summing up the various developments in machinery for our first moon exploration.

"If we can survive the hostile environment of the moon, we can go almost anywhere in space," stated Burke. He spoke with enthusiasm and conviction as to the immense possibilities of gain for all mankind in our exploration of space.
